

BREEZE Route 315 Detoured Due to Camp Pendleton Construction

From 6:00 P.M. on Friday March 26, 2010 through the end of service on Sunday March 28, 2010, BREEZE Route 315 will be rerouted due to construction at Camp Pendleton's San Luis Rey (Back) Gate.

This construction will totally close this gate to all traffic, including pedestrians. During the gate closure, NCTD will operate a modified 315 schedule that will operate between Town Center North and a temporary turnaround just north of San Luis Rey Gate. The 315 will operate from Town Center North by way of SR-76, I-5, Camp Pendleton Main Gate, Vandegrift Blvd. to 22 Area, then operate the regular Route 315 between 22 Area and

the San Luis Rey Gate. In order to maintain hourly service as well as service to as much of the 315 route as possible, the 315 will not stop between Town Center North and 22 Area. Starting at 22 Area, the 315 will make all regular stops south to San Luis Rey Gate and north from the San Luis Rey Gate to 22 Area. Passengers who need to travel between Town Center North and Vandegrift Blvd. south of San Luis Rey Gate should ride Route 309.

NCTD is not providing any additional service to replace the 315 on College Blvd., North River Rd., and Vandegrift Blvd. during the construction.

Friday March 26, 2010

A LOS PASAJEROS

Desviación de la Ruta 315 BREEZE debido a construcción en Camp Pendleton

El viernes 26 de marzo de 2010 a partir de las 6:00 P.M. hasta finalizar el servicio del domingo 28 de marzo, 2010 la Ruta 315 del BREEZE será desviada debido a trabajo de construcción en la Entrada San Luis Rey (trasera) de Camp Pendleton.

La entrada estará completamente cerrada a vehículos y peatones. Durante el cierre, NCTD operará la ruta 315 en un horario modificado entre Town Center North y un retorno temporal al norte de la Entrada San Luis Rey. El 315 operará desde Town Center North a través de SR-76, I-5, Camp Pendleton Main Gate, Vandegrift Blvd. hasta el Área 22, y de ahí la

Ruta 315 regular entre el Área 22 y la Entrada San Luis Rey. No habrá paradas entre Town Center North y Área 22 para conservar el servicio cada hora y cubrir en lo posible la Ruta 315. A partir del Área 22, el 315 hará sus paradas regulares al sur de la Entrada San Luis Rey y norte de la Entrada San Luis Rey al Área 22. Pasajeros que necesiten hacer paradas entre Town Center North y Vandegrift Blvd. al sur de la Entrada San Luis Rey necesitan utilizar la Ruta 309.

NCTD no ofrecerá servicio adicional durante la construcción para reemplazar el 315 en College Blvd., North River Rd. y Vandegrift Blvd.
