F. Evidence Required

1. Prior to execution of the agreement, the Contractor shall file with NCTD evidence of insurance from an insurer or insurers certifying to the coverage of all insurance required herein. Such evidence shall include original copies of the ISO CG 2010 (or insurer's equivalent) signed by the insurer's representative and Certificate of Insurance (Acord Form 25-S or equivalent). All evidence of insurance shall be signed by a properly authorized officer, agent or qualified representative of the

insurer and shall certify the names of the insured, any additional primary insureds, where appropriate, the type and amount of the insurance, the location and operations to which the insurance applies, and the expiration date of such insurance.

G. Policy Provisions Required

1. All policies shall contain a provision for 30 days advance written notice by the insurer(s) to NCTD of any cancellation. Statements that the carrier "will endeavor" and "that failure to mail such notice shall impose no obligation and liability upon the company, its agents or representatives," will not be acceptable on certificates.
2. All policies shall contain a provision stating that the Contractor's policies are primary insurance and that the insurance of NCTD or any named insureds shall not be called upon to contribute to any loss.

H. Qualifying Insurers

1. All policies required shall be issued by acceptable insurance companies, as determined by NCTD, which satisfy the following minimum requirements:

Insurance carriers shall be qualified to do business in California and maintain an agent for process within the state. Such insurance carrier shall have not less than an "A-" policyholder's rating and a financial rating of not less than "Class VII" according to the latest Best Key Rating Guide.

I. Additional Insurance Provisions

1. The foregoing requirements as to the types and limits of insurance coverage to be maintained by Contractor, and any approval of said insurance by NCTD, is not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by the Contractor pursuant to this agreement, including but not limited to, the provisions concerning indemnification.
2. If at any time during the life of the agreement, the Contractor fails to maintain in full force any insurance required by the agreement documents NCTD may terminate the agreement.
3. The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
4. NCTD may require the Contractor to provide complete copies of all insurance policies in effect for the duration of the Project.
5. Neither NCTD, nor the board, nor any member of the board, nor any of the directors, officers, employees, agents or volunteers shall be personally responsible for any liability arising under or by virtue of the Contract.
6. Insurance certificates shall be attached hereto as Exhibit ___.

II. INDEMNIFICATION

- A. Contractor agrees to protect, save, defend and hold harmless NCTD and its Board and each member of the Board, officers, agents and employees from any and all claims, liabilities, expenses or damages of any nature, including attorneys' fees, for injury or death of any person, or damage to property, or interference with use of property, arising out of or in any way connected with the negligent acts, errors or omissions or willful misconduct by Contractor, Contractors agents, officers, employees, subcontractors, or independent Contractors hired by Contractor under this agreement. The only exception to Contractor's responsibility to protect, save, defend and hold harmless NCTD, is due to the sole negligence, willful misconduct or active negligence of NCTD. This hold harmless agreement shall apply to all liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Contractor.

III. LICENSING REQUIREMENTS

- A. Contractor's State of California License Number and Classification is to be provided at time of quotation submittal.

IV. PREVAILING WAGES

The work described in the request for quotation documents falls into the category of public works construction projects for Federal and State requirements. The Contractor will be required to comply with all of the terms and conditions (including Federal and State General Prevailing Wage requirements) prescribed for Contractors performing public works construction projects. The latest General Prevailing Wage determinations for crafts associated with public works construction projects shall apply. In all instances where Federal and State Prevailing Wages for a given craft differ, the higher Prevailing Wage shall be paid. It shall be mandatory upon the Contractor and all sub-contractors to pay not less than the said specified rates to all workers employed by them in the performance of this Contract. Copies of the Prevailing Wage Rates are on file at the NCTD Contracts Department located at 810 Mission Avenue, Oceanside, CA and are available upon request.
